WarpAI
Co-Founder
March 2025 - Present (4 months)
Bengaluru, Karnataka, India

Warp is an AI agent that automates sales execution so reps can focus on selling—not admin. From crafting personalized follow-ups and ROI business cases to updating CRM and summarizing MEDDICC, Warp handles the back-office tasks that drive deals forward. Sales leaders get complete visibility, leaner teams, and higher win rates—without the chaos of manual execution
